EDUCATION

Nalanda College Biharsarif,Nalanda —12th Science

Apr 2019 - Feb 2021

From this college, I complete my 12th and I got new experience and make new friends, this is the moment when I found my propose of my life.

Puruliya Government Engineering College, Puruliya— B.Tech

Aug 2021 - Current

Now I am in my first year of college but I learn coding and development from 12th and I love to do the coding that's why I chose to do Engineering.

PROJECTS

Clock — *Digital clock and wall clock*

This is the first project that I made with myself.

Form — *Contact form and Payment form*

In this project, I really enjoyed making this.

Website— *An online course selling website*

This is a website that takes a lot of time but finally, I make this and after completing this website I am very happy. This is a full working website.

SKILLS

Html -(very good)

CSS - (very good)
